**State of Wyoming Corner Record** 

(In compliance with the CORNER PERPETUATION AND FILING ACT, Wyoming Statutes, 1997, Section 33-29-140, et seq., and the Rules and Regulations of the Board of Registration for Professional Engineers and Professional Land Surveyors)

Reverse side of this form may be used if more space is needed.

Record of original survey and citation of source of historical information (if corner is lost or obliterated). Description of corner monumentation evidence found and/or monument and accessories established to perpetuate the location of this corner. Sketch of relative location of monument, accessories, and reference points with course and distance to adjacent corner(s) (if determined in this survey). Method and rationale for reestablishment of lost or obliterated corner.

FOUND: No evidence of original stone. No stones found within 200' of search area.

SET: An aluminum survey cap, marked appropriately straight line And equidistant between the Northwest Corner of Section 8 and Northeast Corner of Section 8. An existing fence corner with rubber tire set on corner Post lies 8 feet east and directly on the north section line of Section 8. With No specific existing corner location, I set the monument as described above.
