

# State of Wyoming Corner Record

(In compliance with the CORNER PERPETUATION AND FILING ACT, Wyoming Statutes, 1977, Section 36-11-101, et. seq., and the Rules and Regulations of the Board of Registration for Professional Engineers and Professional Land Surveyors)

Reverse side of this form may be used if more space is needed.

Record of original survey and citation of source of historical information (if corner is lost or obliterated). Description of corner monumentation evidence found and/or monument and accessories established to perpetuate the location of this corner. Sketch of relative location of monument, accessories, and reference points with course and distance to adjacent corner(s) (if determined in this survey). Method and rationale for reestablishment of lost or obliterated corner.

1/4 Corner Sections 2 and 3, T.12N., R.63W., 6<sup>th</sup> P.M., Laramie County, Wyoming.

**G.L.O. RECORD:** 1" dia. X 36" long iron pipe with 2" brass cap; Edwin H. VanAntwerp, 1911.

**OTHER RECORDS:** none.

**FOUND:** no evidence of the G.L.O. monument. Position falls in a cultivated field with no supporting evidences of the original position of the corner in the immediate area.

**SET:** Since the original position of the corner appears to be situate in a cultivated field, and the planned construction of a road in this location, this corner was not reestablished and monumented under this current survey.
