

State of Wyoming Corner Record

(In compliance with the *CORNER PERPETUATION AND FILING ACT*, Wyoming Statutes, 1977, Section 36-11-101, et. seq., and the Rules and Regulations of the Board of Registration for Professional Engineers and Professional Land Surveyors)

Reverse side of this form may be used if more space is needed.

Record of original survey and citation of source of historical information (if corner is lost or obliterated). Description of corner monumentation evidence found and/or monument and accessories established to perpetuate the location of this corner. Sketch of relative location of monument, accessories, and reference points with course and distance to adjacent corner(s) (if determined in this survey). Method and rationale for reestablishment of lost or obliterated corner.

1/4 Corner of Sections 10 and 11, T.12N., R.63W., 6th P.M., Laramie County, Wyoming.

G.L.O. RECORD: 1" dia. X 36" long iron pipe with brass cap: Edwin H. VanAntwerp, 1911.

OTHER RECORDS: "Certified Land Corner Recordation" filed by R.L. Hudson, WY P.L.S. No. 519, Dec. 13, 1979.

FOUND: No evidence of the original G.L.O. monument, or the Hudson reference (RP) monuments were found.

NOTES: Since the original position of the corner appears to situate in a cultivated field as reported by Mr. Hudson, and the planned construction of a road in this location, this corner was not reestablished and monumented under this current survey.
