

State of Wyoming Corner Record

(In compliance with the *CORNER PERPETUATION AND FILING ACT*, Wyoming Statutes, 1977, Section 36-11-101, et. seq., and the Rules and Regulations of the Board of Registration for Professional Engineers and Professional Land Surveyors)

Reverse side of this form may be used if more space is needed.

Record of original survey and citation of source of historical information (if corner is lost or obliterated). Description of corner monumentation evidence found and/or monument and accessories established to perpetuate the location of this corner. Sketch of relative location of monument, accessories, and reference points with course and distance to adjacent corner(s) (if determined in this survey). Method and rationale for reestablishment of lost or obliterated corner.

Found Granite stone well set 3 feet North of a 4 strand Barb Wire fence and west 7 feet from a 5 strand barb wire fence, South of a wire gate. The North face of said stone is clearly marked with $\frac{1}{4}$ " and is witnessed by a $1\frac{1}{2}$ " iron pipe set on the South side of said stone. An Aluminum cap was set in said pipe and marked W.C.
