

State of Wyoming Corner Record

(In compliance with the CORNER PERPETUATION AND FILING ACT, Wyoming Statutes, 1977, Section 36-11-101, et. seq., and the Rules and Regulations of the Board of Registration for Professional Engineers and Professional Land Surveyors.)

Reverse side of this form may be used if more space is needed.

Record of original survey and citation of source of historical information (if corner is lost or obliterated). Description of corner monumentation evidence found and/or monument and accessories established to perpetuate the location of this corner. Sketch of relative location of monument, accessories, and reference points with course and distance to adjacent corner(s) (if determined in this survey). Method and rationale for reestablishment of lost or obliterated corner.

Reference:

1. Original G.L.O. Field Notes: Volum 14, page 24.
2. Corner Record form by S. Dennis Dawson, P.L.S. 555, recorded in the Laramie County Clerk's Office; 25 October 1994, at 1:24 p.m.

Corner was recovered in good condition. The information contained in Reference No. 2 is accurate. This report is to provide latest date of recovery and the information stamped on the aluminum cap established adjacent to the original corner (on west side) by Mr. Dawson.
