

CERTIFIED LAND CORNER RECORDATION

SEC. 6

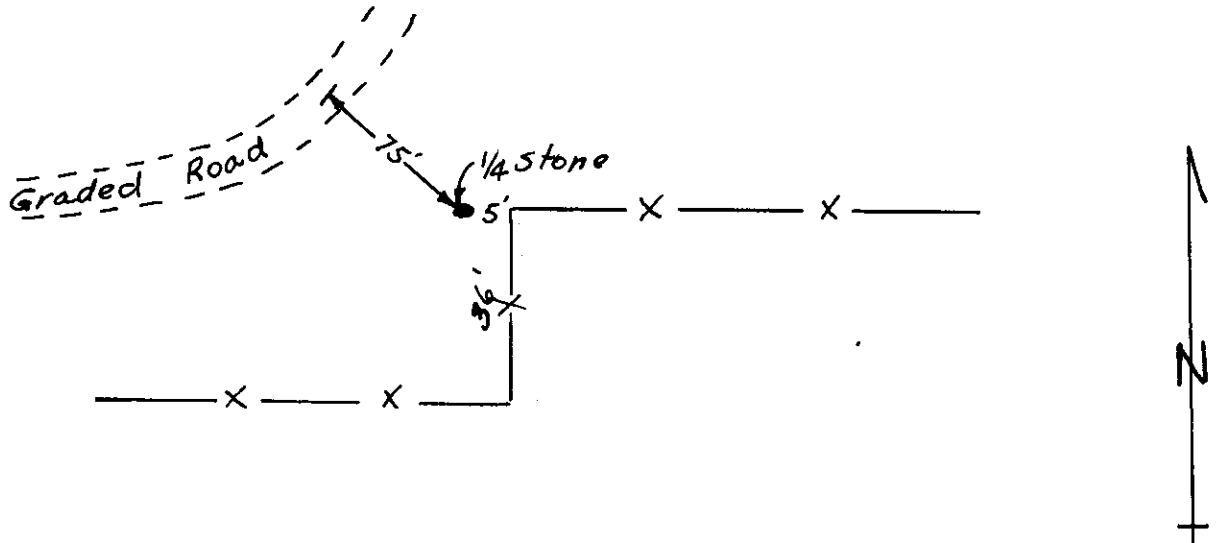

SEC. 7
T 14 N
R 65 W

DESCRIPTION OF CORNER EVIDENCE FOUND, AND ORIGINAL RECORD (If known)
Found Granite Boulder with 1/4 mark in exposed face which sticks about 1" above ground level. Did not unearth to check measurements. Original record indicates that a Granite Boulder 16 X 7 X 5 was set, no mention of accessories. I tied the subject boulder to a survey which I concluded on May 27, 1976. On June 2nd I was in contact with Mr. W. L. Child who was raised in the area and who's parents and grandparents were early residents of the area. Mr. child stated that both had told him that the subject boulder had been moved several times in the past years. Therefore any surveyor in the future who may have occasion to use the subject boulder should keep the above

DESCRIPTION OF MONUMENT AND ACCESSORIES ESTABLISHED TO PERPETUATE THE ORIGINAL LOCATION OF THIS CORNER: testimony in mind.

Accessories are existing topography as indicated below.

SKETCH, WITH COURSE AND DISTANCE TO ADJACENT CORNER IF DETERMINED IN THIS SURVEY.
(May Sketch or Paste Reproduction on Reverse Side.)

I, Edward C. Fry certify that I have carefully performed ~~or reviewed~~ the work done on the diagrammed corner as reported on this recordation form and approve the same.

Edward C. Fry 662
Signature of Surveyor Registration No.
