

State of Wyoming Corner Record

(In compliance with the *CORNER PERPETUATION AND FILING ACT*, Wyoming Statutes, 1997, Section 33-29-140, et. seq., and the Rules and Regulations of the Board of Registration for Professional Engineers and Professional Land Surveyors)

Reverse side of this form may be used if more space is needed.

Record of original survey and citation of source of historical information (if corner is lost or obliterated). Description of corner monumentation evidence found and/or monument and accessories established to perpetuate the location of this corner. Sketch of relative location of monument, accessories, and reference points with course and distance to adjacent corner(s) (if determined in this survey). Method and rationale for reestablishment of lost or obliterated corner.

G.L.O. Record: Unknown
Subsequent Record: None

Found: A 8" x 8" concrete monument with a bolt in the center. Said monument was typically set as a witness from an unrecorded survey of the F.E. Warren Air Force Base Boundary performed by U.S. military personnel.

Set: Accepted as the best available evidence of the 1/4 corner position, I set a No. 5 x 24" rebar with 3 1/4" Aluminum Cap marked as noted below, 40.00' north of the concrete monument. Set monument is 5.6' north of the existing Horse Creek Road Centerline.

See Right of Way Map of Survey for the Wyoming Department of Transportation filed in the Laramie County Clerks Office for additional information and coordinates of adjacent monuments.
