

State of Wyoming Corner Record

(In compliance with the *CORNER PERPETUATION AND FILING ACT*, Wyoming Statutes, 1997, Section 33-29-140, et. seq., and the Rules and Regulations of the Board of Registration for Professional Engineers and Professional Land Surveyors)

Reverse side of this form may be used if more space is needed.

Record of original survey and citation of source of historical information (if corner is lost or obliterated). Description of corner monumentation evidence found and/or monument and accessories established to perpetuate the location of this corner. Sketch of relative location of monument, accessories, and reference points with course and distance to adjacent corner(s) (if determined in this survey). Method and rationale for reestablishment of lost or obliterated corner.

G.L.O. Record: John B. Thomas, U.S. Deputy Surveyor, June 1871

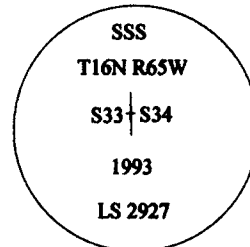

80.00 Chains Set a granite boulder, 15 x 8 x 6 for corner to 1/4 Sec. 33 & 34

Subsequent Record: Certified Land Corner Recordation filed August 9, 1972 by Mr. Rick Hudson, LS 519, indicating he set a 1 1/2 ins. dia. x 30 ins. long iron pipe with brass cap.

Found: 2" diam. alum. cap, 5 ins. below ground in a N/S trail road and marked as noted below.
I set this corner in 1993 while employed by Steil Surveying Services. I searched the records of Steil Surveying Services and could not find my notes as to the evidence recovered in 1993 and the setting of the monument. I recall that this corner was set from the old found wood witness post and remains of the iron pipe noted in the R.L. Hudson corner record noted above.

Set: Nothing

Aluminum Cap Markings
